

DISCOVER THE A-G DIFFERENCE.

SUPERIOR TECHNOLOGY ■ PERSONAL ATTENTION & EXPERT ADVICE

Sports insurance specialists, A-G Administrators is a different kind of insurance provider with a focus on results for the athlete and peace of mind for the program.

AND THAT FOCUS NOW BRINGS YOU A DIFFERENTIAL PHARMACY EXPERIENCE

SERVICE

Unsurpassed personal attention and professional service

INNOVATION

Superior technologies in our products, services and guidance

RX EXPERIENCE

The most effective and efficient experience for the injured athlete

VALUE

Industry leading value and cost savings

As your sports insurance specialists, we are innovators in the field and, throughout our history, we have maintained a 95% client retention rate. We believe this is the result of our unique approach and extremely high service standards.

Whether you are a college or university who wants to develop a comprehensive risk management program for your student-athletes, a youth sports club looking to insure the risk of your participants' injuries, or an agent or broker seeking the best solutions for your clients, A-G is here to provide you with the uniquely designed program for your specific needs.

PHARMACY SOLUTION

A-G Administrators has partnered to create a management solution to meet the specific needs of our customers and the athletes they represent.

EFFICIENT MANAGEMENT

RxBridge ensures the right athlete gets the right medication at the right time while providing full transparency and utilization management tools to you.

RxBridge VALUE PROPOSITION

Full featured and robust capabilities provide you with the ability to effectively and efficiently manage and monitor your pharmacy program and derive the very best outcomes for your injured athletes.

With features including mobile solutions and full transparency reporting and dashboards, you control your complete solution.

FIRST FILL

The First Fill Prescription Card enables an Injured Worker to fill prescription(s) prescribed by a physician at the notice of a work-related injury. These First Fill Prescription Cards are active for a limited time and allow a minimal quantity determined by **YOU**.
